## 2026 Gun Safety Candidate Pledge

Thank you for your willingness to serve the people of Georgia. Georgia Majority for Gun Safety invites all state-wide and General Assembly candidates to sign our 2026 Gun Safety Candidate pledge. Your signature will let Georgia voters know that you agree with the majority of Georgians who understand that protecting the rights of responsible gun owners can coexist with policies that help prevent tragic and avoidable gun violence.

### Candidate Pledge:

As a candidate for elected office in the State of Georgia, I pledge that if elected I will support gun safety legislation in Georgia, including efforts to advance the following policies:

- **Secure storage laws**, including specific protections for children
- **Background checks on all gun purchases and transfers**
- **Mechanisms to identify and prevent firearm access by individuals at high risk for violent activity**, including protections for victims of domestic violence and those at risk of self-harm
- **Funding for violence intervention initiatives**, including hospital and community based violence intervention programs and violence prevention education

Candidate, District/Office: \_\_\_\_\_

#### Note:

Please send signed pledges to [georgiamajority@gmail.com](mailto:georgiamajority@gmail.com). Upon receipt, Georgia Majority will send your campaign a Gun Safety Candidate logo and will document your pledge on social media and our website.

**Signing the pledge does not constitute an endorsement by Georgia Majority for Gun Safety.** Rather, it simply identifies candidates who are willing to play an active role in supporting evidence-based policies that improve public safety in Georgia.

## **About Georgia Majority for Gun Safety**

*We are a non-partisan alliance of organizations, houses of worship, and individuals committed to advancing proven, effective legislation that reduces rates of gun violence while preserving the rights of responsible gun owners in Georgia. We are a broad and diverse coalition representing the majority of Georgians who believe we must do more to promote responsible gun ownership and protect our communities from the epidemic of gun violence. Our members include emergency room physicians, pediatricians, psychologists, educators, faith leaders, community advocates, parents and includes many gun owners.*

*Our partner organizations include: Georgia Clinicians for Gun Safety, Georgia Coalition Against Domestic Violence, Georgia Interfaith Public Policy Center, Circle of Safety, Everytown for Gun Safety, Sandy Hook Promise, End Family Fire, Giffords Gun Owners for Safety, Be SMART, States United to Prevent Gun Violence, The Safer States Initiative from Johns Hopkins Center for Gun Violence Solutions, Georgia Moms for Change, Neighbors for Action, Mothers Against Gang Violence, National Council of Jewish Women – Atlanta, A.
